## WORK EXPERIENCE

### **Go Port**, *Junior Designer*

Jan 2020 - Nov 2020

My work at Go Port focussed on creating a great user experience and user interface for desktop and mobile platforms. I also designed graphics and ads for social media and the web. I learned about the UX design process and design systems. I worked closely with the marketing team and software developers to provide the best experience for our users.

### **Go Port**, *Digital Marketing Intern*

Sep 2019 - Jan 2020

During my internship at Go Port, I mostly worked on UI redesigns for landing pages. I also designed ads, Pinterest art, Newsletters, and edited the 2019 company Christmas video.

### **Collin's Aerospace**, *Certified Operator*

Feb 2018 - Nov 2019

### **Papa John's**, *Shift Manager, Driver, Insider*

Dec 2011 - Mar 2018
